COMPANY OVERVIEW

Flight Light was founded in 1993 to supply robust, rugged, and cost-effective airfield, helipad and obstruction lighting products to commercial, private and military customers worldwide. We are an FAA certified manufacturer and global supplier of airfield lighting solutions that meet or exceed FAA and ICAO specifications. Flight Light Inc. is a minority and veteran-owned small business. Our Quality Management System is registered to ISO 9001:2015.
